A Comprehensive Measure of Well-Being | HDI Predictor

SAYS

- 'I want to quickly compare HDI across countries'
- 'The UNDP formula is too complex to apply manually'
- 'I need this for my research paper'

THINKS

- 'Is there a simple tool for this?'
- 'I wish I could see how changing GNI affects HDI'
- 'I need accurate UNDP-aligned results'

DOES

- Manually searches UNDP website
- Downloads large Excel files from HDR
- Uses calculators to apply formula step by step

FEELS

- Frustrated by lack of interactive tools
- Overwhelmed by 82-column HDR dataset
- Excited when they find an easy-to-use predictor
